

Sign a contract through a short video selfie

Signatory allows you through a simple video selfie, to collect the consent or sign a contract. The recording is cryptographically linked to the document and the signatory is identified by his digital signature and the video.

How does it work ?

Why choose Signatory?

Saving processing time through a 100% digital process

Irrefutable proof, audit without centralized trusted third party

Cheaper process, ideal for one day insurance

Proof of integrity, identity, date and geolocation

Sectors

Insurance

Bank

Medical studies

Logistics

Maintenance

GIVE PROBATIVE VALUE TO ALL YOUR PROCESSES, DOCUMENTS AND DATA
